10.	I am currently with another service provider. Can I switch to UNI5G Business and get a device as well?	<ul style="list-style-type: none"> Absolutely! You can make the switch to UNI5G Business and add a device to your plan. However, please note that your port-in to the UNI5G Business plan must be successfully completed and activated before you can add on the device. We are here to help you every step of the way!
11.	How will I receive the device?	<ul style="list-style-type: none"> We have got options for you. You can either pick it up yourself at one of our stores if you walked in, or you can sit back and wait for the device to be delivered to the address you provided during registration.
12.	Will I be charged an upfront payment when I add a device to UNI5G plans?	<p>No upfront payment needed if you meet the following criteria:</p> <ol style="list-style-type: none"> <i>You have a Unifi Mobile account with a subscription period of six (6) months and above.</i> <i>You have a good payment history for the past 4 months on your Mobile account.</i> <p>If you don't meet the criteria, here is what to expect:</p> <ul style="list-style-type: none"> You will be required to pay an upfront payment when subscribing to the plan, and this amount will be credited to your bill, offsetting your monthly bills over 24 months. The upfront payment for the device depends on the subscribed plan and device model.
13.	Where should I report a defective device?	<p>If you happen to receive a defective device through delivery, here is what to do:</p> <ul style="list-style-type: none"> Please report it to us within 24 hours of receiving it via Live Chat on the Unifi Mobile app. We will assess the defect and provide you with further instructions. <p>If you report the issue after 24 hours, the device will be subject to the warranty process and evaluated by the device manufacturer. We are here to help you get it sorted. If you bought the device at our stores (Unifi Stores), we strongly encourage you to do the unboxing on-site. You will receive a replacement for the defective device.</p>
14.	Can I get a refund on the Upfront Payment if I terminate early?	<ul style="list-style-type: none"> Yes, you can. If you decide to end your contract before it's due, we will refund any remaining balance from the device Upfront Payment, after deducting any penalty charges.
15.	What happens if I end my contract early?	<p>We understand things don't always go as planned. If you need to end your contract early, there is an imposed charge that you will need to settle upfront. We are here to help, so please check out our Terms and Conditions https://biz.unifi.com.my/business/products/mobile-postpaid for further details.</p>
16.	Can I change my plan while I am still in a device contract?	<ul style="list-style-type: none"> Absolutely, you have the flexibility to change your plan even if you are still in the contract. Here is how it works: <ul style="list-style-type: none"> <i>If you subscribed to the UNI5G Business plan with a device and decide to downgrade to a lower plan, you will need to pay the early termination penalty (ETP) for the device.</i> <i>If you subscribed to the Unifi Mobile plan with a device and choose to upgrade to a higher plan, your existing device contract will be carried over to the new plan.</i>

17.	Can I have the device delivered to an address other than my billing address?	<ul style="list-style-type: none"> Of course, you can. You are welcome to request the device to be delivered to your preferred address, even if it is different from your billing address.
18.	Do you offer nationwide delivery service?	<ul style="list-style-type: none"> Absolutely! Our delivery service covers nationwide. Once the full payment has been made, you can expect the device to arrive at your doorstep within seven (7) working days.
19.	Will there be any additional fees for the delivery service?	<ul style="list-style-type: none"> No need to worry! There will not be any additional charges for the delivery of the device.
20.	How can I check the status of my device delivery?	<ul style="list-style-type: none"> Checking your device's delivery status is a breeze. Just get in touch with our Care Crews via Live Chat on the Unifi Mobile app, and they will assist you in tracking your delivery.
21.	Can someone else receive the delivery for me?	<p>We want to ensure your order reaches you securely, so here is how it works:</p> <p>The order will be delivered by our courier partner to the recipient and address as indicated in the customer order confirmation. Upon delivery, you will need to present your identification for identity verification purposes. Please note that failure to do so may result in the denial of the delivery package.</p> <p>For security reasons, third-party collection is strictly not allowed.</p>
22.	What should I do if I receive the wrong device model?	<p>If, by any chance, you receive the wrong device model, here is what you need to do:</p> <ul style="list-style-type: none"> Please report it to us within 24 hours of receiving it. You will then receive a one-to-one replacement for the wrong device model after you have returned the incorrect one.
23.	Where should I report a defective device?	<p>We recommend checking the device as soon as you receive it because any defects need to be identified and reported within 24 hours. If you find a defect, please report it to us via Live Chat on the Unifi Mobile app. We will arrange for the collection of the device and provide you with the next steps after evaluating the issue.</p> <p>If you report a defective device after 24 hours, please contact the device manufacturers directly.</p>
24.	How long does it take to get a device replacement?	<ul style="list-style-type: none"> We are committed to getting you a replacement as quickly as possible. Please allow up to seven (7) working days for us to arrange a replacement. The timing may vary based on stock availability and your location.
25.	Are there any additional charges for the replacement of the defective device reported within 24 hours?	<ul style="list-style-type: none"> No, there will not be any additional charges for replacing defective devices reported within 24 hours.

26.	My device is unusable, and I have been told my IMEI is blocked by Unifi. How can I get it unblocked?	We understand your concern. To release your device from IMEI blocking, here is what you should do: <ul style="list-style-type: none">• Contact our Care Crew via Live Chat on the Unifi Mobile app immediately. We will start the investigation and reactivate the IMEI once it is completed.
