- Transfer of ownership is allowed after the contract period ends, subject to the terms and conditions for relocation and transfer of ownership.

### **3. Can I change my subscription plan within the contract period?**

- Early termination is not allowed. If you proceed, a fee will cover the remaining subscription and the early termination charge for the free smart device will be based on the remaining contract months, using the Recommended Retail Price (RRP).

| <b><u>Early Termination Penalty</u></b>   |   |  |                           |
|---|---|--|---------------------------|
| (Current Unifi Business Monthly Subscription Plan Price (calculated based on the price before discounts) X Remaining Contract Period in months) | + | (Device Recommended Retail Price (RRP) / 36 months x Remaining Contract Balance) | =                         |
|   |   |  | Early Termination Penalty |

**Sample case:**

- Plan: Unifi Business Broadband 1Gbps @ RM319/month
- Contract: 36 months
- Device: Apple iPad (A16) Wi-Fi 256GB (RRP RM1,999)
- Remaining: 12 months

Penalty Calculation:

$$(RM319 \times 12) + [(RM1,999/36) \times 12]$$

$$= RM3,828 + RM666.30$$

$$\text{Total early termination penalty} = RM4,494.30$$
