Section E: General Information

1. Can I upgrade or downgrade my subscription within the contract period?

- You can only upgrade your plan to a higher speed under another campaign plan. Downgrading your plan is not possible within the contract period.
- If you downgrade your package speed plan (Unifi Biz) within the 36-month contract period, a penalty equivalent to the remaining months of the device's retail price will be applied.

2. Can I add on digital solutions to my existing subscription package?

- Yes, for this campaign, you can add on a digital solution to your existing package.
- The available add-on solutions are listed below:

Solutions	Description	Price per Month	Contract
Unifi Cloud Storage	Unifi Cloud Storage offers full control over your online storage.	Starting from RM17/month	12 months
Kaspersky Small Office Security	PC protection with special features to keep your business safe.	Starting from RM30/month	12 months
Unifi eCommerce Hub	Unifi eCommerce Hub offers a one-stop centre to easily manage various online marketplaces like Lazada and Shopee.	Starting from RM49/month	12 months
Digital Marketing Solutions (DMS)	DMS helps you connect with potential customers through digital platforms such as social media, to promote your business.	Starting from RM50/month	12 months
Unifi Business TV	IPTV service that delivers TV content digitally through an internet network.	Starting from RM70/month	24 months

3. Is relocation or transfer of ownership allowed while I am still within the contract period?

- Relocating your service is allowed, subject to infrastructure service availability when subscribing to the campaign package. However, if there are changes in terms of infrastructure or technology (e.g., FTTH to VDSL), you may no longer be able to enjoy the same plan and may need to downgrade within the same package family.
- If your new location does not have TM infrastructure, you have the following the options:
 - Subscribe to Unifi Air; or
 - Terminate your current service which will be subject to early termination charges for the smart device if terminated within the 36-month contract period.
- Transfer of ownership is allowed after the contract period ends, subject to the terms and conditions for relocation and transfer of ownership. However, all OTT entitlements are not transferable to the new owner.

4. How will I be billed?

- You will receive a single bill for Unifi Business Broadband, device and digital solution subscriptions.

5. What should I know about service termination?

- You may request to terminate your subscription by visiting any Unifi Store outlet or by contacting Unifi Call Centre at 100.
- Terminating your subscription during the contract period is not possible. If you proceed with early termination, a standard fee will be charged, which includes the full subscription fees for the remaining months of the contract.

Early Termination Penalty for Business Broadband

Remaining Contract Period (in Months) X Current Unifi Business Monthly Subscription Plan
(Calculated based on the price before any discounts)

- The early termination charge for the free smart device provided will be calculated based on the remaining months of your Unifi Business plan contract, using the Recommended Retail Price (RRP).

<p><u>Device Recommended Retail Price (RRP)</u></p> <p style="text-align: center;">36 months</p>	<p>X remaining contract balance = Early Termination Penalty</p>
